RE: The Initial Administrative Record File for the Gold King Mine Release Site Removal Action in San Juan County, CO.
CERCLIS ID: CON000802460
Operable Unit (Number & Name): OU00
CERCLIS Action Type: Removal
CERCLIS Sequence #:001
SEMS Collection #: AR 63952

Dear Ms. Kerwin,

Enclosed please find the Initial Administrative Record (AR) file for the Gold King Mine Release site. The AR contains copies of the documents that support the EPA's emergency removal action and continuing removal action. This is the first shipment of Administrative Record files being sent from the Region 8 Records Center for the Gold King Mine Release site.

The Superfund Amendments and Reauthorization Act of 1986 (SARA) requires that a copy of the AR be made available for public review at or near the site of the actual removal action. As an information repository, it is important that a member of your organization contact Region 8 before disposing of any records from this AR.

Your willingness to provide a location for these documents so that local residents will have access to them is greatly appreciated. If you or any member of the public should have any questions about the files, please do not hesitate to call me at (303) 312-6645.

Sincerely,

Dave Christenson
